HAPPY NEW YEAR!

Welcome to 2022 – THE YEAR OF NEW DIMENSIONS

I thank God who has been faithful to us and kept us alive to witness this amazing year. It is by God's grace that we have begun a new year and for that, we praise God who gives life to us all.

We want to make this year count and one way to ensure we are on the right track from the beginning is by starting the year with a **season of prayer and fasting**.

I believe God that you will experience new dimensions in your walk with God, marriage, family, relationships, finances and every other area as you trust God each day!

In **Revelations 4:1**, the Bible says, "After these things I looked, and behold, a door standing open in heaven. And the first voice which I heard was like a trumpet speaking with me, saying, "**Come up here**, and I will show you things which must take place after this."

God took Apostle John to new dimensions to give him insight into things that no one had yet witnessed. He obeyed the command of God to come up to a new level so that he could be shown the future.

I believe that as you fast and pray, you will be ushered into new realities about your life and purpose. Your vision will be expanded and God unveils the great plans He has for you this year!

Are you ready for the exciting journey that lies ahead of you? I know I am!

May your prayers receive a speedy fulfilment as you call on God.

Shalom!

HELPFUL HINTS

FOR FASTING

*The practice of regular fasting is a normal Christian behaviour taught by Jesus. In **Matthew 6:16–18**, Jesus provided guidelines for fasting.*

*Fasting was also practiced by the early church as evidenced in **Acts 13:2**. It has been the regular discipline of believers throughout church history.*

Do's Of Fasting

1. Prepare your body for the fast; cut back on food portions and eat smaller meals a few days prior to the fast.
2. Make sure to eat fresh fruit and raw vegetables, fruit or vegetable juices to help with your digestion.
3. Drink lots of water when fasting.
4. Seek medical advice before the fast if you have any existing health conditions.
5. You can fast in many different ways. For example, a Daniel fast is one in which you consume only vegetables and water throughout. Pray and ask God what He will give you faith for the duration of the fast.
6. Have a clear target as your prayer focus. Without a vision or clear goal, the people perish. Write down your vision for the fast so you can run with it (**Habakkuk 2:2**).
7. Take time to pray and read the word. This may seem obvious, but busyness and distractions can keep you from daily devotions. Expect to hear God's voice in the word, dreams, visions, and revelations. Daniel prepared himself to receive revelation through fasting (**Daniel 10:1–2**).
8. Break your fast gradually. At this point you will need to exercise watchful self control. Break your fast on a meal that is light and easy to digest (i.e., broth, a shredded apple, watermelon, or steamed vegetables).
9. Prepare for opposition. Satan tempted Jesus on the fast, and we must expect the same. Discouragement may come but take your stand on the victory of Christ.

Don'ts Of Fasting

1. Avoid high-fat and sugary foods before the fast.
2. Abstain from strong stimulants such as caffeinated and sugary drinks during a fast, including the artificial sweeteners found in diet drinks.
3. It is important after a fast to control your cravings and avoid overeating and nullifying the gains made during the fast.

I am excited that you are joining me on this fast. Commit to staying the course and fasting from the beginning to the end. I believe that God's glory will envelope us in a supernatural way as we wait upon the Lord.

“Keep on asking, and you will receive what you ask for. Keep on seeking, and you will find. Keep on knocking, and the door will be opened to you.

Matthew 7:7
